

Mauston Pumpkin Bash 2008

Hello,

We would like to invite you to our third annual fall bash. Our first two years had over 6000 people attending and we anticipate this year's to be even bigger and better. The Mauston Pumpkin Bash currently is accepting reservations for Non-profit organizations from our area to join us for this weekend of fun. This year's fest will start at 10 am on Saturday Oct 25. till 11:30pm and on Sunday Oct.26, from 10am to 5pm. The bash will again be held at Red Ridge Ranch.

The committee finds that as we grow, we could use volunteers to help decorate, build the fences, set up the parking area, erect signs in town and also tear down these items. None of these jobs take up a lot of time, but together have become time consuming. So we're asking for your help. Please indicate on the contract what you group would be interested in helping with and contact information. These projects are completed before and the beginning of the week of the bash and then after.

This year we are asking for a deposit of \$50, half will be refunded to the organization after the bash. Organizations that complete volunteer work for the bash, will be refunded in full.

Each organization that participates in the two-day event will be required to list the items being sold at the festival. The participants from last year will be given first choice of attending and selling their items. The dead line for the contract will be July1,2008. After that it will be open to new vendors. The purpose is to have enough items without causing undo competition.

Set-up will begin as early as Thursday the 23rd and go no later then Saturday the 25th at 9am. We will be open at 10am on Saturday. Included with this letter is the contract to be completed and returned with your deposit. If you have any questions please call Cynthia Makowan at 847-6208 or Cindy Peterson at 847-2273

Sincerely.
